

Metal of Honor Fund Scholarship Committee

Fulfill the Dream

Mission Statement:

We believe higher education should be attainable for all people with the determination and desire for self-improvement. There are a vast number of students who possess these traits yet lack financial means. Through community support we will alleviate some of the financial strain associated with attaining a higher education. There by enabling these students to pursue their goals of self improvement and do so successfully.

The Metal of Honor Fund is a charitable fund operated by people associated with the Heating, Ventilating, and Air Conditioning (HVAC) industry.

We have two things in common:

- We are Sheet Metal/HVAC contractors and suppliers
- We have come together to give something back to the communities that support our businesses.

The Metal of Honor Scholarship Committee is offering scholarships to deserving high school seniors.
